

**Meadows Valley School Technical Committee Meeting:
February 2, 2011 Meeting began at 3:00 p.m.**

Present-Jeff Luff Jr., Dion Flaming, Debbie Flaming, Mary Wells, Carrie LaFay, Glenn Syzmoniak, Cindy Rawlings

Glen wants to know about dispersal of equipment-
1st Grade needs Mimeo, speakers
Kindergarten needs document camera
Lori Maroe needs a Mimeo and a document camera.

Older Equipment--
Smart boards and e-beams would be boxed up and sold for a minimum cost to a charity, library or other school.

Extra computers would be traded to Computers for Kids.

The Tech Lab will have 10 more Systemax, bringing the total computers to 16.

The portable lab needs some work to be accessible.
Deep Freeze put off until the summer.

Glenn asks about spare bulbs. Would like 4 extra to be on hand.
Flip Video Camera was purchased but was stolen.

Camera was purchased with Yearbook fundraiser. Debbie has worked with the Yearbook class so that the students are editing and posting for the webpage.

Carrie brings up the lack of a color printer. Would have liked to show parents Aimsweb reports for better clarification.

Plan is to have a color printer so that teachers can print in the office.
Printer for Mr. Baker so that he has more confidentiality.

Training on new equipment-
February 28th-1 hour of training on Mimeo

Meeting first Wednesday of March. Adjourn at 4:07pm
